

**HOPKINS HILL FIRE DEPARTMENT**  
**1 BESTWICK TRAIL COVENTRY, R.I. 02816**

**PLAN REVIEW FEE SCHEDULE**

The Authority Having Jurisdiction shall approve or disapprove the completed set of plans within a time frame set forth by the Rhode Island State Fire Code

The fee prescribed in this section shall accompany every request for plan review, by the Hopkins Hill Fire Marshal's office, under the provisions of the Fire Safety Code. Checks shall be made payable to: Hopkins Hill Fire District, as follows:

Cost of Construction: Required Fee:

\$500 or less ----- \$25

Over \$500 but not over \$1,000 ----- \$35

Over \$1,000 but not over \$2,000 ----- \$45

Over \$2,000 but not over \$500,000 ----- \$45+ (Plus \$6.00 per \$1,000 or fraction thereof over \$2,000)

Over \$500,000 ----- \$3,033+ (Plus \$4.00 per \$1,000 or fraction thereof over \$500,000)

One family unit \$75.00, and \$50.00 for each additional unit. Additions or Renovations \$35.00

The application shall be accompanied by not less than four (4) copies of construction drawings drawn to scale with sufficient clarity and detailed dimensions to show the nature and character of the proposed work.

Where required by this office for new construction, modification, or rehabilitation, construction documents and shop drawings shall be submitted, reviewed, and approved prior to the start of such work.

The applicant shall be responsible to ensure that the following conditions are met:

- 1) The construction documents include all of the fire protection requirements.
- 2) The shop drawings are correct and in compliance with the applicable codes and standards.
- 3) The contractor maintains an approved set of construction documents on site.
- 4) Revised construction documents or shop drawings shall be prepared and submitted for review and approval to illustrate corrections or modifications necessitated by field conditions or other revisions to approved plans.

**Review and approval by the AHJ shall not relieve the applicant of the responsibility of compliance with this Code.**
